What is the GO Movement?

The GO MOVEMENT connects many ministries, churches, denominations, and initiatives worldwide. It unites all believers in pursuit of our central and purest mission: sharing the Gospel. The GO MOVEMENT is built on a simple belief: Everyone can reach someone. Together we can reach the world!

Since 2012, a growing number of churches and ministries have worked together to mobilize and equip millions of believers to be a witness and to share the Gospel on GO DAY (formerly called Global Outreach Day). With GO 2020, the day was expanded to a whole month, for the first time in 2020. Since then, the month of May became GO MONTH: a catalytic key moment for every believer to become a witness for Christ. The GO DECADE aims to reach every person on earth with the Gospel by 2030 while intensifying prayer, evangelism, and discipleship efforts.
